for War Crimes in Iraq With the Bush Administration about to be replaced
by President-elect Obama, and many of the current members of Bush's
cabinet about to be replaced by different people, Iraq is looking more and
more like a forgotten war. Until recently, many people, including some
analysts, considered the war in Iraq a mistake. But the fact is that the war
was necessary, and that some war criminals have been punished. It turns
out that the sentence that former Vice President Dick Cheney has been
facing for almost a decade, for authorizing torture, actually applies. In a
recent Bloomberg article, author Eli Lake explains how the law has
changed in Iraq. One of the changes is that the Iraqi government has
gotten involved in the legal proceedings. Criminal conspiracies, which
Cheney's chief of staff, I. Lewis "Scooter" Libby, and others are charged
with, no longer have to take place in Iraq; the venue can be in any
country with an "aggressive stance toward terrorists." According to Lake,
"the U.S. Court of Appeals for the D.C. Circuit will hear arguments on
Thursday about whether the charges against Libby were for acts of 'aiding
and abetting' or 'conspiracy.'" Those arguments will have to do with one
of the biggest changes in the law as of late. The court itself has
