About This Content

In this version of the game the first two missions are available.

In case you purchase a full version of the game, the progress achieved in this version will be saved.

A married couple is going to fight against pretty Zombie girls. New game mechanics in the already-discovered XXZ world.

Updates:

- The squad consists of two people.
- Heroes now have unique skills.
- You choose who you attack.
- Attacking troops get occasionally enforced with new members.
